***TOWN OF SHREWSBURY***

***TRAFFIC RULES AND ORDERS***

***ISSUED BY THE BOARD OF SELECTMEN***

The Selectmen of the Town of Shrewsbury acting under authority conferred by Section 22 of Chapter 40 of the General Laws and by virtue of any and every other enabling power do hereby make, adopt and establish the following rules and orders for the regulations of carriages and vehicles used in said town and hereinafter referred to collectively as **RULES**.

**ARTICLE 1 - DEFINITIONS**

For the purpose of these rules and orders, the words and phrases used herein shall have the following meanings except in those instances where the context clearly indicates a different meaning.

(a) "Street or Highway." The entire width between property lines of every way open to the use of the public for purposes of travel.

(b) "Roadway." That portion of a street or highway between the regularly established curb lines or that part, exclusive of shoulders, improved and intended to be used for vehicular traffic.

(c) "Lane." A longitudinal division of a roadway into a strip of sufficient width to accommodate the passage of a single line of vehicles.

(d) "Vehicle." Every device in, upon or by which any person or property is or may be transported or drawn upon a street or highway, except devices moved by human power or used exclusively upon stationary rails or tracks.

(e) "Emergency Vehicle." Vehicles of the Fire Department (Fire Patrol), Police vehicles, ambulances and emergency vehicles of federal, state, and municipal departments or public service corporations when the latter are responding to an emergency in relation to the Police or Fire Departments.

(f) "Parking." The standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in loading or unloading, or in obedience to an officer or traffic signs or signals, or while making emergency repairs or, if disabled, while arrangements are being made to move such vehicle.

- (g) "Pedestrian." Any person afoot or riding on a conveyance moved by human power, except bicycles or tricycles.
- (h) "Sidewalk." That portion of a street or highway set aside for pedestrian travel.
- (i) "Crosswalk." That portion of a roadway ordinarily included within the prolongation or connection of curb lines and property lines at intersections, or any portion of roadway clearly indicated for pedestrian crossing by lines on the road surface or by other markings or signs.
- (j) "Railroad Crossing." Any intersection of ways with a railroad right of way.
- (k) "Traffic Island." Any area of space set aside, within a roadway, which is not intended for use by vehicular traffic.
- (l) "Traffic." Pedestrians, ridden or herded animals, vehicles, street cars or other conveyances either single or together while using any street or highway for the purpose of travel.
- (m) "Official Traffic Signs." All signs, markings and devices, other than signals, not inconsistent with these rules and orders, and which conform to the standards prescribed by the Department of Public Works of the Commonwealth of Massachusetts and placed or erected by authority of a public body or official having jurisdiction, for the purpose of guiding, directing, warning or regulating traffic.
- (n) "Officer." For the purpose of these rules and orders, an officer shall be construed to mean any officer, or inspector of the Registry of Motor Vehicles, any constable or special officer, provided he has his badge of office displayed over his left breast and upon his outer garment.
- (o) "Bus Stop." An area in the roadway set aside for the boarding of or alighting from the parking of buses.
- (p) "Official Curb Marking." That portion of a curbing, the painting of which has been authorized by the Board of Selectmen, and which has the written approval of the Department of Public Works of the Commonwealth of Massachusetts.
- (q) "Official Street Marking." Any painted line, legend, marking or marker of any description painted or placed upon any way which purports to direct or regulate traffic and which has been approved by the Department of Public Works of the Commonwealth of Massachusetts in writing.
- (r) "Commercial Vehicle." Any vehicle being used in the transportation of goods, wares or merchandise for commercial purposes.
- (s) "Commercial Vehicle Heavy." Any commercial vehicle of two and one half (2 ½) ton capacity or over.
- (t) "Passenger Vehicle." Any motorized vehicle with passenger plates or a commercial vehicle of under 14, 000 GVW excluding trailers, motorcycles and buses.

## **ARTICLE 2 - AUTHORITY AND DUTIES OF POLICE**

### **Section 1. OFFICERS TO DIRECT TRAFFIC**

It shall be the duty of officers designated by the Chief of Police to enforce the provisions of these rules and orders. Such officers are hereby authorized to direct all traffic either in person or by means of visible or audible signals in conformance with the provisions of these rules and orders provided that in the event of a fire or other emergency to expedite traffic or safeguard pedestrians, officers of the Police or Fire Departments may direct traffic, as conditions may require, notwithstanding the provisions of these rules and orders.

### **Section 2. POLICE MAY CLOSE STREETS TEMPORARILY**

The Chief of Police is hereby authorized to close temporarily, any street or highway in an impending or existing emergency or for any lawful assemblage, demonstration or procession provided there is reasonable justification for the closing of such street.

### **Section 3. POLICE MAY PROHIBIT PARKING TEMPORARILY**

The Chief of Police is hereby authorized to prohibit temporarily, parking on any street or highway or part thereof in an impending or existing emergency, or for a lawful assemblage, demonstration or procession, provided there is reasonable justification for such prohibition. Vehicles parked in places where parking is prohibited temporarily may be moved by or under the direction of an officer.

### **Section 4. PUBLIC EMPLOYEES TO OBEY TRAFFIC REGULATIONS**

The provisions of these rules and orders shall apply to the operator of any vehicle owned by or used in the service of the U.S. Government, this State, County or Town, and it shall be unlawful for any said operator to violate any of the provisions of these rules and orders, except as otherwise provided by law.

### **Section 5. EXEMPTIONS**

The provisions of these rules and orders shall not apply to operators actually engaged in work upon a street or highway closed to travel or under construction or repair, to officers when engaged in the performance of public duties nor to drivers of emergency vehicles while operating in an emergency and in performance of public duties when the nature of the work of any of these necessitates a departure from any part of these rules and orders. These exemptions shall not, however, protect the driver of any vehicle from the consequences of reckless disregard of the safety of others.

**ARTICLE 3 - TRAFFIC SIGNS, SIGNALS, MARKINGS & ZONES**

**Section 1. TRAFFIC SIGNS AND SIGNALS**

(a) The Superintendent of Streets is hereby authorized and, as to those signs and signals required hereunder, it shall be his duty to place and maintain, or cause to be placed and maintained, all official traffic signs, and signals, markings and safety zones. All signs, markings and safety zones shall conform to the standards as prescribed by the Department of Public Works of the Commonwealth of Massachusetts.

(b) Sections 2 and 3 of Article 2 and Sections 2 and 3 of Article 5, relating to parking shall be effective only during such time as a sufficient number of official signs are erected and maintained in each block designating the provisions of such sections and located so as to be easily visible to approaching drivers.

(c) Sections relating to one-way streets shall be effective only during such time as a sufficient number of official signs are erected and maintained at each of the exits for each one-way street, so that at least one sign will be clearly visible for a distance of at least seventy-five (75) feet to drivers approaching such exit.

**Section 2. DISPLAY OF UNAUTHORIZED SIGN, SIGNALS AND MARKINGS PROHIBITED**

It shall be unlawful for any person to place or maintain or to display upon or in view of any street any official sign, signal or marking which purports to be or is an imitation of or resembles an official traffic sign, signal or marking, or which attempts to direct the movement of traffic or which hides from view any official sign or signal. The Chief of Police is hereby empowered to remove every such prohibited sign, signal or marking or cause it to be removed, without notice.

**Section 3. DISOBEDIENCE TO TRAFFIC SIGNS, SIGNALS AND MARKINGS PROHIBITED**

No driver shall disobey the instructions of any official traffic control signal, sign, marking or legend unless otherwise directed by a police officer.

**Section 4. INTERFERENCE WITH SIGNS, SIGNALS AND MARKINGS PROHIBITED**

Any person who willfully defaces, injures, moves, obstructs or interferes with any official traffic sign, signal or marking shall be liable to a penalty not exceeding twenty (\$20.00) dollars for each and every offense.

**Section 5. LOCATION OF BUS STOPS AND TAXICAB STANDS**

The location of all bus stops, and taxicab stands shall be specified by the Board of Selectmen and in the case of taxicab stands the Board of Selectmen shall designate who may use them as such.

**ARTICLE 4 - ZONES OF QUIET**

The Chief of Police of said Town of Shrewsbury may temporarily establish a zone of quiet upon any street where a person is seriously ill.

Said temporary zone of quiet shall embrace all territory within a radius of two hundred (200) feet of the building occupied by the sick person.

Said temporary zones of quiet shall be designated by the Chief of Police by placing at a conspicuous place in the street a sign bearing the words, "Zone of Quiet" or "Serious Sickness."

**ARTICLE 5 - STOPPING, STANDING AND PARKING**

**Section 1. GENERAL PROHIBITIONS**

No person shall allow, permit or suffer any vehicle registered in his name to stand or park in any street, way, highway, road or parkway under the control of the Town of Shrewsbury in violation of any of the Traffic Rules and Orders adopted by the Board of Selectmen, and in particular in any of the following places except when necessary to avoid conflict with other traffic or in compliance with the direction of a Police Officer or traffic sign or signal. Vehicles found violating any of the provisions of this Section may be moved by or under the direction of an officer to a place where parking is allowed.

- (a) Within an intersection
- (b) Upon any sidewalk
- (c) Upon any crosswalk
- (d) Upon a roadway where parking is permitted unless both wheels on the right side of the vehicle are within twelve (12) inches of the curb or edge of the roadway except, upon those streets which are designated as one-way streets. On such one-way streets, vehicles shall be parked in the direction in which said vehicle is moving and with both wheels within twelve (12) inches of the curb.
- (e) Upon any roadway where the parking of a vehicle will not leave a clear and unobstructed lane at least ten (10) feet wide for passing traffic.

- (f) Upon any street or highway within ten (10) feet of a fire hydrant.
- (g) In front of any private road or driveway.
- (h) Upon any street or highway within twenty (20) feet of any intersecting way, except alleys nor between any intersection and a more distant point, not to exceed forty (40) feet, when such point is indicated by the presence of an official sign.
- (i) Within fifteen (15) feet of the wall of a fire station or directly across the street from such station provided signs are erected acquainting the driver of such regulation or restriction.
- (j) Alongside or opposite any street excavation or obstruction when such stopping, standing or parking would obstruct traffic.

MAY ST.,	<u>westerly</u>	from driveway in front of Coolidge School to South Quinsigamond Avenue.
TRIANGLE,	<u>westerly side,</u>	from Main Street (West) to Maple Avenue.

## **ARTICLE 7 - OPERATION OF VEHICLES**

### **Section 1. DRIVE WITHIN MARKED LANES**

When any roadway has been marked or divided into lanes, a driver of a vehicle shall drive so as to be entirely within a single lane and shall not move from the lane in which he is driving until he has first ascertained if such movement can be made with safety.

### **Section 2. USE RIGHT LANE**

Upon all roadways the driver of a vehicle shall drive in the lane nearest the right side of the roadway when said lane is available for travel except when overtaking another vehicle or when preparing for a left turn.

### **Section 3. OVERTAKE ONLY WHEN THERE IS SPACE AHEAD**

The driver of a vehicle shall not overtake and pass a vehicle proceeding in the same direction unless there is sufficient clear space ahead on the right side of the roadway to permit the overtaking to be completed without impeding the safe operation of any vehicle ahead.

**Section 4. DRIVER TO GIVE WAY TO OVERTAKING VEHICLE**

The driver of a vehicle when about to be overtaken and passed by another vehicle approaching from the rear shall give way to the right in favor of the overtaking vehicle, on suitable and audible signal being given by the driver of the overtaking vehicle, and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle.

**Section 4a. EXTENSION OF NO PASSING ZONE**

No passing on Route 140 from vicinity of 159-165 Memorial Drive Southward approximately 200 feet.

Route 140 from Route 9 to vicinity of Gold Street and the entrance to the Adams Farm Subdivision.

**Section 5. OBSTRUCTING TRAFFIC**

- (a) No person shall drive in such a manner as to obstruct unnecessarily the normal movement of traffic upon any street or highway. Officers are hereby authorized to require any driver who fails to comply with this section to drive to the right side of the roadway and wait until such traffic as has been delayed has passed.
- (b) No driver shall enter an intersection or a marked crosswalk unless there is sufficient space on the other side of the intersection or crosswalk and on the right half of the roadway to accommodate the vehicle he is operating without obstructing the passage of other vehicles or pedestrians notwithstanding any traffic control signal indication to proceed.

**Section 6. FOLLOWING TOO CLOSELY**

The driver of a vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard to the speed of such vehicle and to the traffic upon any conditions of the street or highway.

**Section 7. SLOW VEHICLES TO STAY 200 FEET APART**

Upon roadways less than twenty-seven (27) feet wide and upon which vehicular traffic is permitted to operate in both directions the driver of any slow moving vehicle when traveling outside of a business or residential district shall not follow another slow moving vehicle within two hundred (200) feet, but this shall not be construed to prevent such slow moving vehicle from overtaking and passing another slow moving vehicle. This section shall not apply to funerals or other lawful processions.

**Section 8.     EMERGING FROM ALLEY OR PRIVATE DRIVEWAY**

The operator of a vehicle emerging from an alley, driveway, or garage shall stop such vehicle immediately prior to driving on to a sidewalk or on to the sidewalk area extending across alleyway or driveway.

**Section 9.     KEEP TO THE RIGHT OF ROADWAY DIVISION**

Upon such roadways as are divided by a parkway, grass plot, reservation viaduct, subway or by any structure or area, drivers shall keep to the right of such division except when otherwise directed by an officer, signs, signals or markings.

**Section 10.    OBEDIENCE TO ISOLATED STOP SIGNS**

Every driver of vehicle, railway car or other conveyance approaching an intersection of ways where there exists facing him an official sign bearing the word "STOP", said sign, having apart from these rules and orders, the written approval of the Department of Public Works, Commonwealth of Massachusetts, and such approval being in effect, shall, before proceeding through the intersection, bring such vehicle, railway car or other conveyance to a complete stop at such point as may be clearly marked by a sign or line, or if a point is not so marked, then at the nearer line or crosswalk of the said intersection. In the case of a line of two or more vehicles approaching such "STOP" sign, the drivers of the second and third vehicles in any group shall not be required to stop more than once before proceeding through the intersection. This section shall not apply when the traffic is otherwise directed by an officer or by a lawful traffic regulating sign, signal, or device.

In accordance with the foregoing, the erection and maintenance of an isolated stop sign, or signs, are authorized so as to face:

**Section 10A. OBEDIENCE TO FOUR WAY STOP SIGNS**

Every driver of vehicle, railway car or other conveyance approaching an intersection of ways where there exists facing him an official sign bearing the word “STOP”, said sign, having apart from these rules and orders, the written approval of the Department of Public Works, Commonwealth of Massachusetts, and such approval being in effect, shall, before proceeding through the intersection, bring such vehicle, railway car or other conveyance to a complete stop at such point as may be clearly marked by a sign or line, or if a point is not so marked, then at the nearer line or crosswalk of the said intersection. In the case of a line of two or more vehicles approaching such “STOP” sign, the drivers of the second and third vehicles in any group shall not be required to stop more than once before proceeding through the intersection. This section shall not apply when the traffic is otherwise directed by an officer or by a lawful traffic regulating sign, signal, or device.

In accordance with the foregoing, the erection and maintenance of a four way stop sign or signs, are authorized so as to face:

INTERSECTION OF GLEASON ROAD and SIAS AVENUE

INTERSECTION OF HOLMAN STREET and SPRING STREET

INTERSECTION OF WHIPPORWILL DRIVE, BUMBLEBEE CIRCLE and  
HONEYSUCKLE LANE SPLIT

**Section 11. OPERATION AT UNDER OR OVERPASSES AND AT INTERSECTION WITH ISLANDS**

At any junction or crossing of ways where the roadway grades have been separated and where the ways are connected by ramps and at intersection of ways in which there are traffic islands, drivers of vehicles shall proceed only as indicated by official signs, signals, or markers.

**Section 12. OPERATION OF HEAVY COMMERCIAL VEHICLES**

1. The use and operation of heavy commercial vehicles having a carrying capacity of more than 2 1/2 tons, are hereby restricted on the following named streets or parts thereof, and in the manner outlined and during the period of time set forth.
2. Exemptions - Part 1 of this Section shall not apply to heavy commercial vehicles going to or coming from places upon said streets for the purpose of making deliveries of goods, materials or merchandise to or similar collection from abutting land or buildings or adjoining streets or ways to which access cannot otherwise be gained; or to vehicles used in connection with the construction, maintenance and repair of said streets or public utilities therein; or to Federal, State, Municipal or public service corporation owned vehicles.

The provisions of this section will apply only when there are sufficient Standard signs erected notifying operators of the restriction.

In accordance with the foregoing the streets listed are specifically incorporated in this Section.

## **ARTICLE 8 - ACCIDENT REPORTS, RESPONSIBILITY, PENALTIES AND REPEALS**

### **Section 1. DRIVERS MUST REPORT ACCIDENTS**

The driver of any vehicle involved in an accident resulting in the injury or death of any persons or property damage to an apparent total extent of twenty-five (\$25.00) dollars or more, shall within twenty-four (24) hours make a full and complete report in writing of such accident to the Police Headquarters in this town. A driver who has been incapacitated as a result of such accident and to such an extent as to make reporting impossible, or unfavorable to his recovery, shall not be required to report such accident until he has recovered sufficiently to be able to do so. The report shall be made on a form furnished by the Police Department, copies of which shall be available at the Police Department. Compliance with this section, however, shall not relieve such driver from the additional responsibility of reporting to the Registrar of Motor Vehicles any accident in which a person is killed or injured.

### **Section 2. RESPONSIBILITY FOR VIOLATIONS**

No person shall allow, permit, or suffer any vehicle registered in his name to stand or park, in any street, way, highway or parkway under the control of the town in violation of any of the provisions of these rules and orders.

### **Section 3. PENALTIES**

- (a) Any person violating any provision of the foregoing rules shall be punished by a fine not exceeding twenty five (\$25.00) dollars for each offense except as otherwise provided by statute, and
- (b) By a fine for each offense for parking violations as authorized by Chapter 90, Section 20C of the General Laws (Ter. Ed.) according to the following schedule:

- (e) For failure to appear before the Parking Clerk for a hearing following notification to the Registrar of Motor Vehicles - \$35.00

**Section 4. REPEAL**

All other rules and orders or parts thereof in conflict with or inconsistent with any provision of these rules and orders and in particular those adopted by the Selectmen of

Shrewsbury under dates of November 12, 1929 and November 29, 1932, are hereby repealed, except that this repeal shall not affect or prevent the prosecution or punishment of any person for any act done or committed in violation of any rule or order hereby repealed prior to the taking effect of these rules and orders.

**Section 5. EFFECT OF REGULATIONS**

These rules are adopted with the intent that each of them shall have force and effect separately and independently of every other except insofar as by express reference or necessary implication of any rule or part of a rule is made dependent upon another rule or part thereof.
