

TOWN OF SHREWSBURY

OPEN SPACE & RECREATION PLAN

Please help the Town of Shrewsbury to update our Open Space and Recreation Plan (OSRP) by participating in this important survey. A state-approved updated plan is necessary to qualify for state funding for the acquisition and protection of open space and recreational facilities. This survey is being conducted to understand the needs and concerns of Shrewsbury residents regarding the Town's open space and recreation facilities. The OSRP was last updated in 2012, and many of the action items have been completed.

Please take a few minutes to answer the survey at the link provided below.

Due: Dec. 15, 2019

Thank you!
