## State Actions Today

### **SBA Resumes Accepting PPP Applications Tomorrow**

The U.S. Small Business Administration (SBA) will accept applications for the second round of funding of the Paycheck Protection Program (PPP) from lenders beginning Monday, April 27th at 10:30 am. **It is critically important that small businesses impacted by the COVID-19 pandemic work with their lender to apply for the Paycheck Protection Program as soon as possible.**

Businesses can access the SBA’s Find A Lender tool at <https://www.sba.gov/paycheckprotection/find>. Additionally, using SBA data, the Executive Office of Housing and Economic Development has published [this list \(https://www.mass.gov/doc/ppp-eligible-lenders-and-first-round-participants-sba-data\)](https://www.mass.gov/doc/ppp-eligible-lenders-and-first-round-participants-sba-data) of institutions that provided loans to Massachusetts companies in the first round of the Paycheck Protection Program. The list also includes all entities that appeared on the [SBA’s approved lenders list](#), which was last updated on April 13, 2020.

Any small businesses in need of application translation services or other technical assistance should access Massachusetts Growth Capital Corporation’s online resources, including a list of technical assistance providers who can help businesses apply for PPP in languages other than English:

### **Buoy Health’s free Online Symptom Checker**

Individuals can use Buoy Health’s free online symptom checker to connect with telemedicine options. This tool is not a substitute for professional medical advice, diagnosis, or treatment. If you are experiencing a life-threatening emergency that requires immediate attention please call 911 or the number for your local emergency service. Buoy is available at [www.buoy.com/mass](http://www.buoy.com/mass) and is available in both English and Spanish.

### **Update on Mobile Testing Numbers for Long Term Care, Assisted Living Residences and EOHHS Sites**

The Mobile Testing Program can test both symptomatic and asymptomatic residents and staff at nursing homes, rest homes, Assisted Living Residences, and EOHHS group homes and care sites. The program was launched by the Command Center on 3/31, and operates under the auspices of the Massachusetts National Guard, in partnership with the Department of Public Health, Fallon Ambulance, and Broad Institute of Cambridge. See a summary below of testing activity.

## Other Important Updates

### Holyoke Soldiers' Home

- This weekend, the Holyoke Soldiers' Home maintained adequate staffing across the home with strong support from the National Guard and staffing agencies.
- Military chaplains are providing weekend religious services to veterans at the Holyoke Soldiers Home, as well as to those boarding at the Holyoke Medical Center. The services are being televised so that all veterans who want to are able to participate.
- Additional management staff is being onboarded to lead Holyoke Soldiers' Home operations, including two additional nursing executives and a project manager will be onboarded to support operational system development. These staff support the ongoing work of the Clinical Command and current staff as they respond to the COVID-19 outbreak.
- The Holyoke Soldiers' Home continues its focus on supporting staff on appropriate PPE usage and ensuring monitoring and compliance for PPE best practices. Staff have all been trained, but require some additional coaching on the units to ensure they are compliant with proper use. Baystate Medical System has helped the staff stand up PPE coaches in the units who will be starting onsite next week. These coaches will be on the units across all shifts observing staff PPE usage and providing real time coaching and friendly correction on PPE donning and doffing.
- Governor Charlie Baker has advised flags be lowered to half-staff until the end of the public health emergency at the Soldiers' Home in Holyoke, Soldiers' Home in Chelsea, as well as the Massachusetts Veterans Memorial Cemetery in Agawam and Winchendon due to the fact Military Honors are unavailable during this public health crisis.
- Regular family communication continues from Holyoke Soldiers' Home staff through video chat, and the Family Hotline is available for ad hoc updates with support from social work and clinical staff.
  - Families can call the Family Hotline at 413-552-4764 Monday – Friday 8:00 a.m. – 6:00 p.m., and Saturday 9:00 a.m. – 1:00 p.m.; Families can also request updates via email at [CommunicationsMailbox-HLY@Mass.gov](mailto:CommunicationsMailbox-HLY@Mass.gov).
  - Please note the Soldiers' Home can only share medical information about a resident with the authorized health care proxy on file. If a family member requests an update and is **not** the health care proxy, the name of the health care proxy will be shared and it will be suggested that the health care proxy should call and request the update.
- **The total numbers at the Holyoke Soldiers' Home as of Sunday:**
  - 76 veteran resident deaths (66 positive, 9 negatives, 1 unknown)

COVID-19 RESPONSE COMMAND CENTER  
DAILY SITUATION REPORT

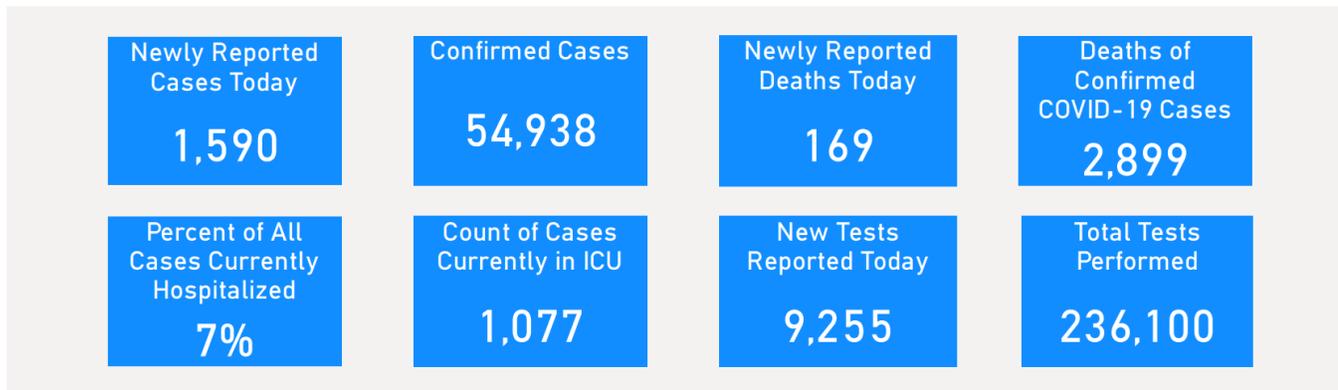

- Today's update includes 1 death of a resident who had tested positive and was DNR, DNH

**Chelsea Soldiers' Home**

- The Chelsea Soldiers' Home is coordinating to make additional dedicated spaces for Veterans who were proactively sent out to VA facilities after testing positive for COVID-19, and are being medically cleared to return to the Soldiers' Home, and this week expects a cohort of veterans.
- Staff use of personal protective equipment (PPE) is continuously enforced for the safety of veterans and staff, is monitoring the supply daily, and on Friday received a delivery of gowns.
- As retesting is being conducted for veterans on- and off-site, and some veteran residents are testing positive, they are being appropriately cohorted, and many are being transferred to other facilities for higher acuity care.
- The Chelsea Soldiers' Home clinical command continues to respond to the COVID-19 pandemic, including regular coordinating calls with the VA Health Care System, continuously reviewing and implementing infection control policy, and closely monitoring staff levels, supplementing as necessary with support from contracted staff. So far 60 slots have been filled through staffing agency contracted roles.
- Governor Charlie Baker has advised flags be lowered to half-staff until the end of the public health emergency at the Soldiers' Home in Chelsea, Soldiers' Home in Holyoke, as well as the Massachusetts Veterans Memorial Cemetery in Agawam and Winchendon due to the fact Military Honors are unavailable during this public health crisis.
- Veteran residents are communicating with their families and loved ones via video with support from the Chelsea Soldiers' Home Social Work team. Families can request updates on their loved ones by contacting the Home at [CSH@mass.gov](mailto:CSH@mass.gov) and through phone and video conversations. Please note the Soldiers' Home can only share medical information about a resident with the authorized health care proxy on file.

## Department of Public Health COVID-19 Dashboard

An enhanced, comprehensive and detailed COVID-19 data report, which includes trend data in a variety of areas (e.g. information on cases rates, testing, geography of confirmed cases etc.), death related data and specific data on COVID-19 hospital census information, nursing homes, skilled nursing facilities, rest homes (with known clusters), and PPE distribution is updated daily by 4PM. **City and town case data are published weekly each Wednesday.** ([Click here to access the report](#)). Key data reflected in today's report is provided below:

## Resources

### Disaster Recovery Information

On March 27, the President [declared](#) a Major Disaster Declaration for the Commonwealth of Massachusetts related to the COVID-19 pandemic response. Through this declaration, federal aid will be made available to cities and towns, state agencies, and certain non-profits in all Massachusetts counties to help pay for emergency protective measures (response costs) related to the COVID-19 pandemic. MEMA's Recovery Unit has developed a [website](#) with information and guidance regarding the disaster declaration, eligibility criteria, and the application process.

### COVID-19 Public Resources Map

MEMA, together with MA VOAD and other partners, has developed a [COVID-19 Public Resources Map](#) showing the location of resources available to the public, such as food banks, houses of worship, and Project Bread site locations. Please note that this map is not inclusive of all resources, and is only as accurate as the information that has been provided to MEMA.

### Massachusetts COVID-19 Response Dashboard

MEMA has developed and maintains a public-facing COVID-19 ArcGIS Online dashboard, available [here](#). This dashboard is continuously updated and captures information about current COVID 19 case counts, cases by age, cases by county, hospital status, hospital bed status, death tolls, and deaths by age. Users should refresh the dashboard on a daily basis as enhancements are continuously being added.

DAILY SITUATION REPORT

**Give Blood:**

The COVID-19 virus has caused the cancellation of blood drives across the Commonwealth. There is an urgent need ***now***. The Governor has deemed “Blood and plasma donors and the employees of the organizations that operate and manage related activities” as an essential service. Your support is needed to communicate to your residents that the need is urgent, and donating is a necessity to supply the hospitals with the blood our neighbors require. Donating blood is safe and people should not hesitate to give. In addition, there is a need for community blood drive sites in the eastern part of the state. Identifying donation sites is vital to meet the demand as we go forward. Your local knowledge, suggestions of sites, and potential partners are crucial to meeting the needs of our neighbors who need blood and blood products. To schedule a new blood drive contact Bill Forsyth at (617) 699-3808 or at email [William.Forsyth@redcross.org](mailto:William.Forsyth@redcross.org).

**Those who are healthy, feeling well and eligible to give blood or platelets, are urged to make an appointment to donate as soon as possible** by using the Red Cross Blood Donor App, visiting [RedCrossBlood.org](https://www.redcrossblood.org) or calling 1-800-RED CROSS (1-800-733-2767).

## ***Requests for Red Cross Emergency Response***

**American Red Cross**

The American Red Cross (ARC) of Massachusetts is committed to fulfilling our Mission of providing emergency relief to our neighbors following a home fire or other disaster. We have implemented temporary changes to our response protocols. ARC we will be responding to your requests for service with a virtual response and ask your assistance in sharing this information with your Incident Commanders and Dispatch Center personnel.

***Notification:*** Continue to request a response by contacting our long-standing emergency line **800-564-1234**.

***When calling:*** Please have contact information for the head of household for each displaced family unit.

A point of contact from the Fire Department or Emergency Management on-scene that we can coordinate with if needed. Quick assessment as to extent of damage.

***What we will do:***

- Contact each head of household by phone or video chat. Open a virtual case for each affected family.
- Arrange for lodging if needed.
- Deliver a Client Assistance Card (financial assistance) to hotel, family member’s home, etc.
- Provide Recovery guidance and assistance in the days following the incident.

If a virtual response is not possible, we will send a minimal number of Red Cross volunteers to the scene to orchestrate the virtual intake process. We value our partnership with your department and encourage you to contact us with any questions.
